

## Customer Declaration for VAT purposes

I/we declare hereby that

Name of company \_\_\_\_\_

VAT/GST registration number\* (see note) \_\_\_\_\_

can be considered to be an international airline as stated in the Danish VAT Act article 34, section 1, number 10.

An "international airline" is an enterprise/company transporting passengers or goods for commercial purposes mainly on international routes. The latter means that more than 55% of all flights are non-Danish domestic flights i.e. to destinations outside Denmark. The calculation of the percentage has to be based on the turnover of the enterprise/company and the actual distances covered.

The undersigned hereby confirm that I / we are entitled to receive supplies in accordance with

- applicable charges regulations for Copenhagen Airports A/S (including Roskilde Airport)
- and other related services in connection with the flight (PRM etc.)

without Danish VAT (VAT-zero-rated supplies).

\*Note: Companies which are domiciled in a country that does not have VAT, must use the ID number they have in relation to their registration in the commercial register or similar business register in own country.
